# What our customers say

“ We wanted a new build. Our previous house needed substantial work doing over the time we were living there and always felt like an ongoing process, so we wanted to leave that behind and find somewhere new, homely and ready.

*Our Cala Home was perfect. We lifted and shifted our furniture in and we were ready*

*to start living. Being able to choose finishes in areas like the bathroom and kitchen from the outset meant that we felt like we were moving into a newbuild with our own style.*”
