# A vibrant new community awaits

Welcome to Aurs Meadows, a new sustainable, growing community where you can look forward to beautiful green open spaces alongside great amenities and transport links on your doorstep. Providing a varied collection of 2, 3, 4 and 5 bedroom homes, this new community has plenty to offer. Set in an elevated, semi-rural setting on the south eastern edge of Barrhead neighbouring Dams to Darnley Country Park, the development enjoys surrounding scenic countryside with the opportunity to take in views over Barrhead, Glasgow and the rolling hills beyond.

While Barrhead town centre is less than 5 minutes away by car, the new community at Aurs Meadows can also enjoy the convenience of the upcoming adjacent Balgray train station, providing a handy connection to Glasgow city centre. An upgraded Aurs Road will also enhance travel links between the area and nearby Newton Mearns by car, cycle and on foot.

# It's the little things we do, that make a big difference to you

Not all brand new homes are the same. We put a lot of consideration into the design and build quality of ours and love to add stylish finishing touches, unexpected flourishes and innovative features.

We have thought about everything you need for contemporary family living. Like storage solutions with fitted wardrobes and ample, good sized cupboards. High quality fixtures and fittings with integrated Bosch appliances. And when the sun appears, our outdoor spaces are good to go with generous patio, outdoor power point and tap, and 1.8m privacy fence.

# The best of countryside and connectivity

Neighbouring the development is Dams to Darnley Country Park, covering over 1,300 acres between the dams and reservoirs at Barrhead and the village of Darnley. With a seven-mile network of paths, you'll be spoilt for choice when it comes to scenic walking routes. Gleniffer Braes, on the edge of Barrhead, is also not far away. The park provides a variety of activities and sights with walks, play areas and waterfalls as well as stunning panoramic views from the Clyde Valley to Ben Lomond.

While the fresh country air will always be close, you're never far away from the buzz of the city. As well as the new upcoming Balgray train station located beside Aurs Meadows, train stations in Barrhead town centre and the neighbouring village of Neilston ensure train travel is always within easy reach for both work and leisure.

For those travelling by car, Barrhead sits near to the M77 motorway, offering a convenient commute north to Glasgow or south into Ayrshire.

# Ideal for leisure and pleasure

There is much to enjoy in Barrhead town itself, from Barrhead Foundry leisure centre with a swimming pool, gym, sports facilities and library, to a range of independent shops, cafes and restaurants. Barrhead Retail Park, less than two miles away, includes a range of popular retailers and food outlets such as Starbucks.

Silverburn Shopping Centre is a nearby port of call for some serious retail therapy. From Next, Zara and H&M, to M&S and Hotel Chocolat, and with a selection of restaurants and a cinema too, it's the perfect place for a relaxing or fun-filled family Saturday afternoon.

If you fancy the fairways, you can try a round at popular local course Ferenze Golf Club.

# A sustainable lifestyle

Sustainability is something we're building our future on at Cala, and our homes at Aurs Meadows have been designed with a range of features to help our customers live in a way that respects the needs of our planet. These include EV chargers installed as standard with all homes and a fully electric air source heat pump system offering a lower carbon, future proofed heating and hot water solution.

Aurs Meadows will also incorporate a range of wildlife-friendly measures, including travel corridors for hedgehogs, bat roosting features and integrated swift bricks. Native planting features within the landscape design, encouraging local wildlife, birds and bees, to grow and thrive in the surrounding environment.

# Quality education on your doorstep

Those with children will benefit from having all catchment primary and secondary schools within 1.5 miles from Aurs Meadows.

For younger pupils, Hillview and St Mark's primary schools are a straightforward drive from home, while Barrhead High School and St Luke's High School, which is located directly opposite the development, will cater for older students. West College Scotland and the University of the West of Scotland both have campuses in nearby Paisley offering a wide selection of further education courses, while the variety of universities and colleges in Glasgow are also within commutable distance.

# The city at your fingertips

Commuting for work, or just in the mood for the excitement of the city? You can be in the centre of Glasgow in around 30 minutes or less via the M77 and M8, or by train from any of the local stations. From the streets filled with designer stores, restaurants and bars to the history and culture of the Riverside Museum, Kelvingrove and the Science Centre, there will always be something new to see and do here.

# What our customers say

“ *My move was really simple and straightforward and the Cala team has been brilliant throughout my journey. The team made sure I had everything at my fingertips in order to make an informed decision and despite the delay due to lockdown, they kept me up to speed all the way through.* ”

A previous Cala Homes West buyer

“ *We received a quote from Cala and realised we could get the same price for our home as what we had sold it for previously. This was amazing as we didn't think we would be able to get as much money without selling it on the open market...We really couldn't have asked for more.* ”

A previous Cala Homes part exchange buyer

“ *I've thoroughly enjoyed the process especially decorating the house and seeing the transformation from house to home.* ”

# Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
