A lifestyle to aspire to

Country calm and town buzz

Set within the grounds of Worting House, a Grade II* listed building, Worting Park forms part of the historic landscape, offering an exciting new collection of 1 bedroom apartments, 2 bedroom coach houses and 2, 3 & 4 bedroom houses close to one of South East England's most vibrant and up-and-coming towns. Here, our stylish, high specification houses benefit from a superb location, nestled in the peaceful, semi-rural district of Worting, yet with Basingstoke's thriving centre minutes away in the car.

With a community village hall and nursery due to be built at Worting Park too, the future looks even brighter for this exciting, unique development.

Superb new homes – and so much more

Featuring an all-inclusive specification as standard, these spacious new homes offer a highly desirable quality of life. This attention to detail goes beyond these stylish houses and apartments, though, with a range of on-site amenities planned.

A village hall will form the hub of the community, with the view of helping bring everyone together. A nursery will offer on-site daycare for busy parents, plus there will be a play area, kickabout area and a woodland walk, so children and grown-ups can enjoy the outside even more.

The current glasshouse and walled garden are being restored; maintaining a scenic haven where flowers can blossom and residents can grow their own fruit and vegetables, rest and relax.

Historic Worting House has many stories to tell

Worting House was built during the reign of King George I, between 1714 and 1727, and was later extended, with the addition of new wings. It has been owned over the generations by several notable Basingstoke families and has paid host to many local society events and gatherings. The building now offers office space to rent and is home to a number of businesses.

It's surrounded by picturesque countryside and has its own beautiful grounds, with maintained traditional gardens, green open spaces and wooded parkland. An oasis of tranquillity on the edge of Basingstoke, where you can escape too whenever you want.

Homes to suit you - and your lifestyle

Worting has a harmonious blend of traditional and modern buildings. Our range of stylish new homes at Worting Park, with thoughtful design and spacious, light-filled interiors, further complements this vibrant community. You can also expect attractive exteriors, with nature-friendly features.

Featuring open-plan living spaces that you can easily adapt as your needs change, luxurious fixtures and fittings, and an emphasis on sustainability. With fully integrated kitchens by Tailor Made Kitchens, Amtico flooring and carpets and lawned rear gardens all included as standard, these are homes that offer a truly luxurious standard of living.

A breath of fresh air

You won't have to go far to sample everything the great outdoors has to offer here. Deane Park, a 70-acre green space, is less than 10 minutes away in the car and is the perfect place for a relaxing walk or picnic. Slightly further afield is National Trust property The Vyne, a Tudor powerhouse turned 17th-century family home, set in gardens, woodlands and wetlands that are just waiting to be explored.

With over 37 acres, there's plenty to explore at Old Down Woodland Park too. A mix of grassland and planted and ancient woodland, it's home to a diverse community of local wildlife. Or simply spend some quality time with friends and family enjoying a picnic in one of Worthing's parks or recreational spaces.

Everything you need is nearby

Whether you're picking up some everyday essentials, doing a bigger shop or are just seeking out some retail therapy, you'll be perfectly located in the idyllic village of Worting. You'll find a wide selection of convenience stores situated within a two-mile radius of home and a range of well-known supermarkets including Sainsbury's and Waitrose also just a short drive away. Basingstoke town centre also has a wide range of retailers, including at the Festival Place and Malls shopping centres, while pubs and places to eat are also in good supply. For a more traditional setting for lunch, dinner or a few drinks, try The Barley Mow in nearby Oakley.

Tranquillity and connectivity

Worting Park may feature picturesque open countryside stretching as far as the eye can see, but this does not come at the expense of superb transport connections. The M3 motorway is just minutes away, for onward travel to Southampton, Winchester, London and Heathrow Airport, while Reading is a straightforward journey on the A33.

Closer to home are a number of charming villages. Oakley is on your doorstep and has a good mix of pubs, restaurants, local shops and open green spaces to enjoy, while East Oakley Village Hall is home to a variety of different clubs and societies. Nearby Steventon, the pretty village that was famously the birthplace of Jane Austen, is also well worth a visit.

Top of the class for education

There's a wide selection of state and private schools located within a three-mile radius of Basingstoke town centre, many with a reputation for nurturing environments and academic excellence. Close to home, Chiltern Primary School is less than a mile away, while Castle Hill infant and primaries, and Park View infant, nursery and primary schools are all within a 10-minute drive of the development. For older students, Bishop Challoner Secondary School and The Blue Coat School are also nearby. Alternatively, Sherfield School is a leading co-ed independent day and boarding school catering for youngsters aged from nursery age right through to 18.

Fun days out, for all the family

From gentle days out in the countryside to more high octane pursuits, there will always be plenty to do in the local area. Tranquil Eastrop Park is the perfect location for a spot of relaxation, with walking trails by the River Loddon, a café and lake with boat hire. Or if you're in the mood for pure exhilaration, the iFLY Basingstoke Indoor Skydiving Centre is the place to be heading. This exciting attraction offers fun for all the family, with a safe environment for skydiving, indoor skiing and sim car racing.

Places to go

Eating out – With such a rich and eclectic choice of eateries in the surrounding area, there will be options for all moods and occasions. From succulent steaks at Miller & Carter, hearty pub grub at The Barley Mow and a diverse menu at The Holly Blue to the award-winning Glasshouse Restaurant in Oakley that uses home-grown ingredients, eating out will always be a pleasure here.

Sports and leisure – For fun, activity and fitness, the options will be plentiful, and where better place to start than Basingstoke Sports Centre? With a large, airy gym, fitness classes, swimming pool, sports hall and soft play, the whole family will be covered. There are local sports clubs offering everything from rugby and football to tennis, bowling and gymnastics. Plus, you have the convenience of a large gym, Aspects of Fitness, literally next door to the grounds of Worting House.

History and heritage – Looking to soak up some local heritage? Basingstoke's Milestones Living History Museum has a good mix of exhibits and runs regular special events throughout the year.

National Trust – The Vyne is also close by, a Tudor powerhouse turned 17th-century family home, set in gardens, woodlands and wetlands.

Entertainment – Partial to a night at the movies, or an afternoon taking in a show? Film fans can catch all the latest blockbusters at the Odeon and Vue cinemas, while The Anvil offers a varied programme of music, comedy and the performing arts.

Shopping – Basingstoke town centre is home to a wide selection of shops, from household name retailers to independent outlets. Festival Place shopping centre has an A to Z of high street brands, plus a cinema and dining options too.

Family days out – Explore the woodlands and grasslands of Crabtree Plantation, especially in the summer months when it attracts a range of colourful butterflies. 4 Kingdoms Adventure Park & Farm is also ideal for families; a sprawling venue featuring 21 play zones, animal barn, laser tag and slides. When the sun isn't shining, head to Atmosphere Trampoline Park, where children of all ages can bounce around and burn off energy for hours on end.

What our customers say

Photography from a previous Cala development

Photography from a previous Cala development

“Moving into a house that was already fully designed and decorated was such a huge relief and absolutely fantastic. It’s a beautiful home which the kids love. Space is what we were after and it’s exactly what we now have at Audley Chase. Our garden in particular is far more open than at our previous home. I can’t speak highly enough of the Cala team. The end-to-end management has been exceptional. Looking back, having started the part exchange process

quite anxious, I now can’t believe how easy it was. All of the people involved were as friendly, personable and in touch as much as possible, removing all of the negotiation. Nothing was too much of an ask, despite the pandemic looming over us all.”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer

journey, which is why we are aiming for online only brochures at our developments.
